FEES

The International Student Fee covers all curriculum related costs, unless otherwise stated, including excursions, camps and activities.

Students admitted to Siena College during the year will be charged fees on a pro-rata basis and other charges as appropriate.

Any additional activities or electives voluntarily undertaken will be billed on a separate invoice, for example: Private Music Tuition, national or overseas trips, padlocks, canteen vouchers, extra-curricular sporting goods and activities, and student ID card replacements.

If the oldest sibling leaves the College, either because they have completed their studies or for any other reason, the discount will cease for the younger sibling or be adjusted accordingly if there are multiple siblings attending at the same time.

Please note that scholarships are not open to International Students.

ANNUAL BOOKLIST, OPTIONAL ACTIVITIES, MUSIC ACCOUNTS AND OTHER CHARGES

Students are issued with an annual booklist each year which details all resources and stationery requirements for the new school year.

Some additional cocurricular costs are billed throughout the year and are to be paid via the Siena College payment portal by the listed due dates. 2026 INTERNATIONAL STUDENT FEES POLICY

A. Application

Applications for entry to Siena College, from Year 7 to Year 12, must be submitted on the College's Application for Enrolment Form. The form is to be accompanied by the non-refundable Application Fee of AUD\$220

While application is a pre-requisite for enrolment, it is not a guarantee of admission and the College at its discretion reserves the right to reject any application, and offer a place to any student irrespective of date of application.

B. Offer of Enrolment

Following the application and International Student enrolment process, a formal offer of enrolment may be made by the College.

To accept the offer, parents/guardians are required to sign and return the International Student Enrolment Agreement with a non-refundable enrolment fee of AUD\$1,800 (effective from May 2026).

A place is confirmed for a student only after an offer has been made and the Enrolment Confirmation Fee is paid. An Enrolment Confirmation Fee payment received after the due date may mean the place may no longer be available.

Siena College's enrolment offer includes an agreement on payment of fees and acceptance of College policies. If a place is not immediately offered, the family will be advised of their addition to the waiting list.

C. Cancellation of Enrolment

One full term's notice is required, in writing to the Principal, before the cancellation of enrolment or withdrawal of a student from the College. Such application must be made by the person/s who signed the International Enrolment Agreement with the College (i.e. a parent, guardian or duly appointed agent (in writing)). If the required notice is not given, a fee of up to one full term's fees may be charged.

D. Tuition Fees and Accounts

1. Instalment 1 (Semester 1) Fees are billed in November for all students enrolled in the following year and Instalment 2 (Semester 2) Fees are billed in May of the new school year.
2. Accounts are payable by the listed instalment due dates. Additional charges must be paid by due date listed on your account.
3. For financial arrangements regarding the absence of students, contact the Director of Business Services or the Head of Finance on +61 3 9835 0200 or via email at finance@siena.vic.edu.au
4. If a student is absent through illness, there will be no reduction in fees. Every effort will be made to remain in close contact with the family and arrange home study for the student where possible.
5. Fees are subject to annual review. Parents/Guardians will be notified if the College Board alters these fees and conditions.

E. Non Payment of School Fees

Fees are strictly due and payable by the due dates listed on issued fee statements. Where school fee accounts are in arrears (or an approved payment plan is not adhered to), a student will not be permitted to undertake optional activities such as instrumental music, music camp, national or international trips, and tours. The Principal reserves the right to refuse to allow students to either commence a new term, or to remain at the College, while any fees or charges remain unpaid.

When fees are in arrears, written, electronic or telephone contact will be made with parents/guardians by the Siena College Finance Office. Records will be maintained of all communications with parents/guardians regarding fee accounts. Every effort will be made to ascertain the ability of parents/guardians to pay outstanding fees, and payment plans will be negotiated where appropriate.

F. International Trips/Cocurricular Programs

A student will not be permitted to participate in overseas trips or fee based cocurricular activities where tuition or other fees are outstanding or the approved Payment Plan is not being adhered to by the family.

G. Goods and Services Tax (GST)

GST is not charged on School Fees and cocurricular activities and College cost and charges have been calculated on the basis that they are GST free. Other activities, however may attract GST.

H. Change of Family Details

It is a requirement that families advise Siena College of any change to their contact details, family circumstances or other relevant particulars. Personal details can be updated via the 'My Details' tab on Siena Central that each family has secure access to. Parents/Guardians can login to Siena Central at any time during the course of the year.

A change in family circumstances should be reported to:
