NOTES ON WEARING THE SPORTS UNIFORM

- Students are expected to be in correct College sports uniform both at school and when representing Siena College in outside competition
- All uniform and equipment is to be clearly labelled with the student's name
- Hats/caps and sunblock are required
Physical Education and Sport staff advocate the wearing of sun protection all year round
- Students are permitted to wear their sports uniform to school on the following occasions:
 - When they have a Physical Education/Sport double period
 - When they are participating in an all day sporting or school event

At all other times:

- When students attend a training session or selection trials before, after or during school time, they must change after the session into their full College uniform
- Students participating in GSV competitions after school must change into their sports uniform. This can be done at lunchtime if the team leaves before the end of the school day
- A health bag containing deodorant, face washer, soap or facial wipes, and a hand towel is not compulsory, but considered by the Physical Education faculty staff to be highly desirable for general hygiene. Showers and change rooms are available
- Long sleeved tops/skivvies may not be worn under the College polo top
